FATHERS

Fathers are wonderful people too little understood
And we do not sing their praises as often as we should
For, somehow, Father seems to be the man who pays the bills,
While mother binds up little hurts and nurses all our ills,
And Father struggles daily to live up to his image
As protector and provider and hero of the scrimmage,
And perhaps that is the reason we sometimes get the notion,
That Fathers are not subject to the thing we call emotion;
But if you look inside Dad's heart, where no one else can see,
You'll find he's sentimental and as "soft" as he can be.
But he's so busy everyday in the grueling race of life,
He leaves the sentimental stuff to his partner and his wife.
But fathers are just wonderful in a million different ways,
And they merit loving compliments and accolades of praise
For the only reason Dad aspires to fortune and success
Is to make the family proud of him and to bring them happiness.
And like our Heavenly Father, he's a guardian and a guide
Someone that we can count on to be always on our side.

HAPPY FATHER'S DAY!

TODAY IS FOR THE DAD WHO...

- Patiently taught us how to put a worm on a hook
- And wait in one spot till we had a bite
- Fixed our bicycles, go carts, and cars
- And the real words that we learned when you were doing it
- We feared when mom said, "Just wait till your dad gets home"
- Woke us up on school mornings, to ensure we would make something of ourselves one day.
- Let us think we were mowing in his lap
- For us real dads who drive mini vans and sing "For the first..."
- Worked long hours or 2 jobs to provide for us
- Made sure we prayed
- Made sure we came to worship God
- Made that boy feel scared when he took his daughter on a first date
- Taught their son what it was to love a woman
- Was the first guy who their daughters loved.
- Who's strong hand corrected, guided, and gently loved

Today is your day dads!

Most important, today is a day that we celebrate our Heavenly Father
